

1 Gallon Milk Fridge

Seitek BR69

Product Dimensions:

Type	W (mm)	D (mm)	H (mm)
Product dimension (with feet)	220	512	376
Foamed cabinet	220	474	350
Inner liner dimension	180	190	280
Packaging dimension	290	590	445

Main Parameters:

- Rear compressor type
- Cabinet: Black powder coated metal sheet
- Door: Triple panned glass door
- Inner liner: White ABS inner liner
- Thermostat: Electronic
- Interior light: One LED light inside top cabinet
- Defrost: Auto defrost
- Feet: 4 adjustable feet (black)

Technical Features:

- Refrigerant: R600a
- Evaporator: Air cooling type, finned evaporator
- Condenser: Wire condenser
- Condenser fan: Digital thermostat, DC condenser fan
- Thermostat: Digital controller
- Temperature range: Under the condition 4°C, temperature range 0–4°C
- Pull down time: Air cooling: <8h
- Energy consumption: Glass door: 0.8kwh
- Certification: CB/CE & CETL/ETL/SANITATION/California Prop 65 Certification
- Noise: <45dB
